

Dear Parents/Guardians,

This year we will be launching a Fundraising Campaign powered by eTeamSponsor to help us raise the necessary funds for our program. The information below is designed to help you learn more about eTeam's system and how we will be using it. It's important to share this information so you have a better understanding of how it works and more importantly how *easy & effective* eTeamSponsor is.

What does eTeamSponsor do? Campaign Fundraising. This is a common and very effective way to fund a program, by raising many small amounts of money from a large number of people, typically via the Internet. eTeam's system allows us to invite people across the country to help support a worthy cause using today's most common forms of communication (Email, Texting and Social Media). After they choose to donate to our campaign, a **Receipt** and a personalized **"Thank You"** will be emailed to them automatically on behalf of our program and your son/daughter.

Why use eTeamSponsor? Because of their results. Since 2010, over 4,000 schools nationwide have raised **Millions** using eTeamSponsor. Its unique 3 by 3 system (image below) is safe, effective & proven to raise the most money possible. Their team-approach to fundraising is easier, less time-consuming & more efficient than all other types of fundraising we do. And most importantly you will be providing valuable support for the programs you care about.

What role will my son/daughter play? On the Campaign Launch Date, your son/daughter will be asked to bring a list (provided by eTeamSponsor) of potential supporters to our meeting, so we can **spread the word**. The goal is simple: get our Campaign message in front of as many people as possible. Think of people who would want to support your son/daughter who live the furthest away first.
